

Caregiver App - Using the PIN Code

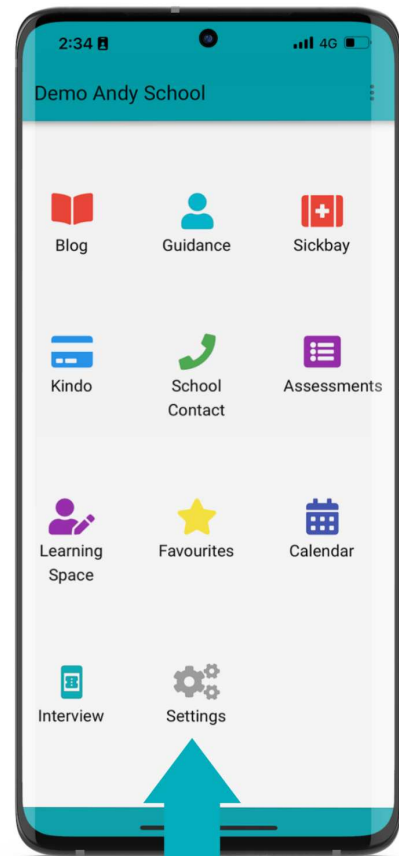

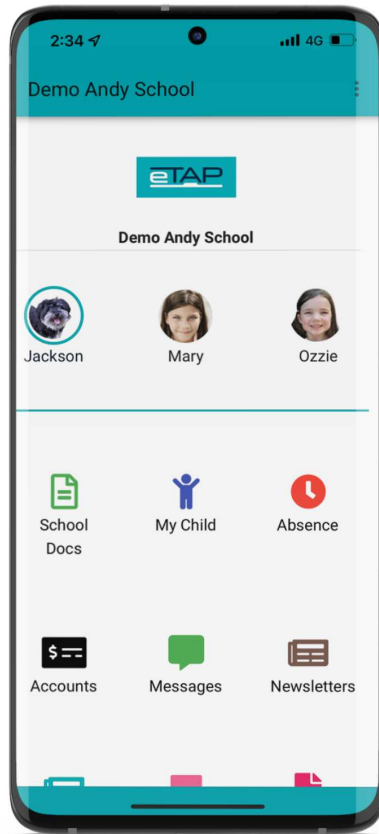

The @school caregiver app now has a PIN code option. This allows the user to not have to enter their username and password to gain access to the information in the app.

eg. **9011/1134/765** and the password can be replaced with a **PIN** code of the users choosing.

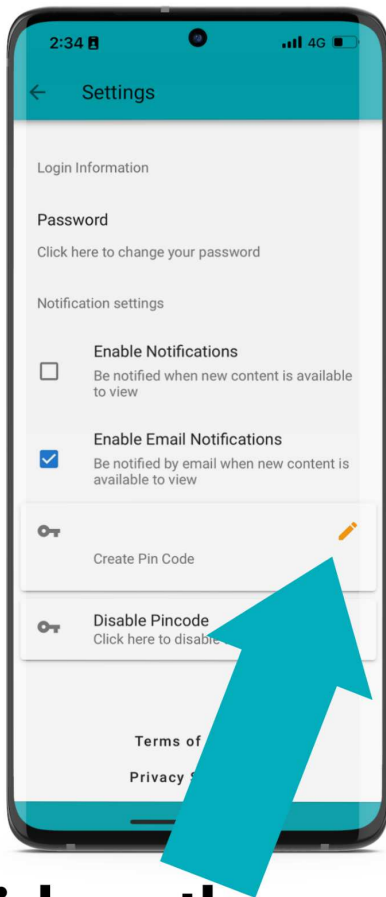

**Open the
@school app**

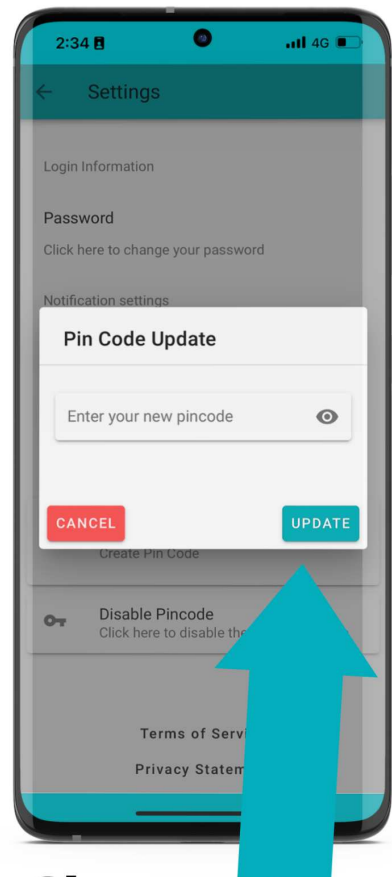

Scroll down

Click on settings

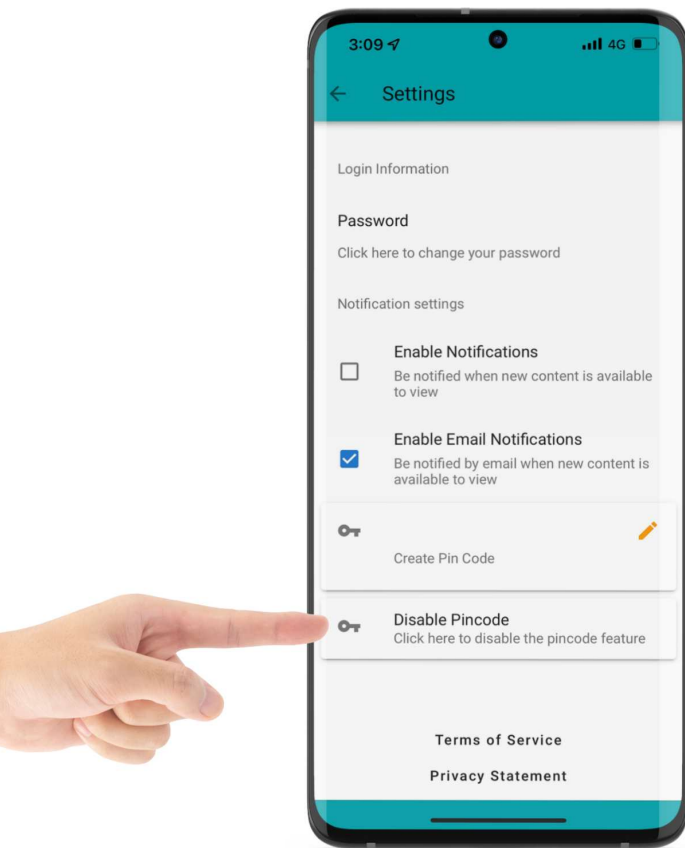

Click on the pen to edit your PIN code

Choose your PIN and click update

If you need to deactivate the PIN code.....

**Click here to disable
the PIN code in
settings**
