

TERM 4 UPDATE 2025

TE MOANA SYNDICATE

We hope you had a restful break! Our students are back and ready for what promises to be an incredibly busy and productive term.

Last term ended with a flurry of activity, and this term we're hitting the ground running! A huge focus will be on preparing for camp, which is now just around the corner.

Alongside that exciting preparation, we'll be diving deep into our learning: we have assessments coming up to check on student progress, we'll begin athletics training, and we'll be completing our Innovation Inquiry work and having a go at EPro 8 challenges. Of course, all of this will be balanced with consistent, focused work in literacy and mathematics.

Keep an eye on HERO for updates on learning and events!
We can't wait to see the growth and achievements this term brings!

WHAT'S ON

Week 2

Wednesday 15 Oct - Athletics Training

Thursday 16 Oct - Great NZ ShakeOut

Thursday 16 Oct - E pro 8 class rounds

Friday 17 Oct - E Pro 8 Class Rounds

Week 10

Wednesday 10 Dec - School Assembly

Wednesday 10 Dec - Class Visits

Week 11

Tuesday 16 Dec - Senior Prizegiving

Last Day of School 2025

CAMP UPDATE TERM 4

TE MOANA SYNDICATE

3 – 5 December

Get ready—you'll be receiving a lot of important camp information over the coming weeks, so please watch for updates!

The response to our request for help with **camp transport** was **fantastic**! We may have enough drivers already, but we'll confirm with you soon if your generous offer of help is no longer required.

At our first assembly, we had a great visit from a group of Year 7 students. They shared their own camp stories and gave the Year 5/6 students a chance to ask all their questions. The overall vibe from our students is incredibly **positive**, and most are really looking forward to the adventure.

We know it's natural for a few students to feel **nervous** about being away from home. We are already talking with them about embracing a **positive growth mindset**. We are focused on supporting all students so they feel confident, know they're not alone, and have a **truly memorable camp experience**!

CAMP FUNDRAISING

We've successfully concluded our fundraising efforts for the upcoming camp! A huge thank you goes out to the Te Moana teachers and the small but mighty group of parent helpers who created so many valuable fundraising opportunities.

These initiatives—like the hot cross bun selling, the Easter raffles, and Midweek Munchies—have made a significant difference. Students who actively participated in these events have seen a substantial decrease in their individual camp fees.

Debbie in the office has now loaded everyone's remaining camp totals to pay onto KINDO.

Please log in and pay these final amounts as soon as possible.
